Part 5.

Insurer Provisions

The following provisions shall apply to any Transactions for which the Swap Insurance Policy has been issued by the Swap Insurer, for the account of Party B, as principal, and Party A, as beneficiary (the “Insured Rate Swap Transactions”):

(a) ***Designation of Early Termination Date.*** Notwithstanding anything to the contrary in Section 6 of this Agreement, if any:

- (i) Event of Default in respect of any Insured Rate Swap Transaction under this Agreement occurs; or
- (ii) Termination Event (other than the Additional Termination Events set forth in Part 5(b) below) in respect of any Insured Rate Swap Transaction under this Agreement occurs;

then, in either such case, neither Party A nor Party B shall designate an Early Termination Date pursuant to Section 6 of this Agreement in respect of any such Insured Rate Swap Transaction without the prior written consent of the Swap Insurer.

(b) ***Party B Additional Termination Events.*** The following shall each constitute an Additional Termination Event:

- (i) the Swap Insurer fails to meet its payment obligations under the Swap Insurance Policy and such failure is continuing with respect to the Swap Insurer under the Swap Insurance Policy; or
- (ii) the Swap Insurer fails to have a claims-paying ability rating of at least “A-” from S&P or a financial strength rating of at least “A3” from Moody’s; provided, however, that additionally:
 - (1) an Event of Default has occurred or is continuing with respect to Party B as the Defaulting Party; or

- (2) a Termination Event has occurred or is continuing with respect to Party B as the Affected Party; or
- (iii) An Insurer Event has occurred and is continuing provided, however, that additionally:
 - (1) an Event of Default has occurred or is continuing with respect to Party B as the Defaulting Party; or
 - (2) a Termination Event has occurred or is continuing with respect to Party B as the Affected Party.

Any of the following shall be considered an “Insurer Event”:

- (1) the Swap Insurer is in conservation, liquidation or receivership under the New York Insurance Laws; or
- (2) the Swap Insurer (a) fails to have (1) a claims-paying ability rating of at least “AAA” from S&P, or (2) a financial strength rating of at least “Aaa” from Moody’s; and (b) fails to pay obligations for indebtedness for money borrowed or to meet then-current policy obligations for which claims have been properly presented in a aggregate amount in excess of \$100,000,000, which failure to make payment (in whole or in part) is not due to: (u) administrative error; (v) the Swap Insurer action to contest a claim; (w) an order from, or action by, a regulator of the Swap Insurer which forbids, delays or impedes such payment, except in connection with a Swap Insurer insolvency, conservation or receivership; (x) the occurrence of an act of God which prevents such payment; (y) the usual mechanisms or channels employed to make such payment being unavailable to the Swap Insurer through no fault of the Swap Insurer; (z) a statute, rule or order (including, but not limited to exchange controls) which forbids, delays or impedes either (i) such payment, other than in connection with a Swap Insurer insolvency, conservation or receivership, or (ii) the acquisition of, or payment in, a currency required in order to make such payment; or

For purposes of any Additional Termination Event described under this Part 5(b), the sole “Affected Party” shall be Party B.

(c) ***Insurer Directed Termination.*** Notwithstanding anything in this Agreement, if an Event of Default under this Agreement occurs with respect to Party B as the Defaulting Party or any Termination Event under this Agreement occurs with respect to Party B as the Affected Party, then the Swap Insurer (so long as it has not failed to make any payment under the terms and conditions of the Swap Insurance Policy) shall have the right (but not the obligation) upon notice to Party A to designate an Early Termination Date with respect to Party B with the same effect as

if such designation were made by Party A. For purposes of the foregoing sentence, an Event of Default with respect to Party B shall be considered to be continuing, notwithstanding any payment by the Swap Insurer under the Swap Insurance Policy. Party A and Party B acknowledge that, except as the Swap Insurance Policy may be otherwise endorsed, unless (x) the Swap Insurer designates an Early Termination Date (as opposed to merely consenting to such designation by one of the parties) or (y) an Additional Termination Event specified in Part 5(b)(i) or (ii) has occurred, payments due from Party B because an Early Termination Date has been designated will not be insured. In any event, the parties acknowledge that pursuant to the Swap Insurance Policy that (i) the amount payable by the Swap Insurer in respect of payments due from Party B because an Early Termination Date has been designated by the Swap Insurer shall not be limited in amount, and (ii) the amount payable by the Swap Insurer in respect of payments due from Party B because an Early Termination Date has been designated by Party A shall not exceed the amount specified in the Swap Insurance Policy.

(d) **Amendments.** Section 8(b) of the Agreement is hereby amended by (A) adding the words “or any Credit Support Document” after the word “Agreement” in the first line thereof and (B) adding the phrase “and the Swap Insurer” following the words “parties” in the third line thereof.

(e) **Transfers/Assignments.** Notwithstanding Section 7 of the Agreement, except as set forth in Part 6(c) hereof, neither party may transfer, assign or delegate its rights or duties with respect to an Insured Rate Swap Transaction under the Agreement, unless it receives the prior written consent of the Swap Insurer; provided, however, that Party A may assign or delegates its rights and duties without the Swap Insurer’s prior written consent to a party (a) that meets the definition of “Reference Market Maker” (other than the ratings requirement set forth therein) and that has long-term senior unsecured debt ratings at least in the single –A category from Moody’s and S&P or the Credit Support Provider of such party has claims paying ability ratings or financial strength ratings at least in the single –A category from Moody’s and S&P and (b) that assumes the rights and duties of Party A pursuant to a master agreement that is substantially similar to this Agreement and in form and substance satisfactory to the Swap Insurer, and provided, further, that Party A may make such an assignment or delegation to an affiliate of Party A if Party A or its Credit Support Provider, provides a guarantee of the Insured Rate Swap Transaction that is reasonably acceptable in form and substance to the Swap Insurer.

(f) **No Suspension of Payments.** Notwithstanding Section 2(a)(iii) of this Agreement, Party A shall not suspend any payments due under an Insured Rate Swap Transaction under Section 2(a)(iii) of the Agreement unless Party A has designated an Early Termination Date pursuant to the terms hereof.

(g) **No Netting.** Notwithstanding Section 2(c) of this Agreement, in no event shall either Party A or Party B be entitled to net its payment obligations in respect of the Insured Rate Swap Transactions against the payment obligations of the other party in respect of other Transactions under this Agreement if such Transactions are not Insured Rate Swap Transactions, nor may either Party A or Party B net the payment obligations of the other party under Transactions that are not Insured Rate Swap Transactions against the payment obligations of such party under Insured Rate Swap Transactions, it being the intention of the parties that their payment obligations under Insured Rate Swap Transactions be treated separate and apart from all other

Transactions. Section 6(e) of this Agreement shall apply to all Insured Rate Swap Transactions with the same effect as if the Insured Rate Swap Transactions constituted a single master agreement. Notwithstanding Section 6(e) of this Agreement, the amount payable under Section 6(e) of this Agreement upon the termination of any Insured Rate Swap Transactions shall be determined without regard to any Transactions other than the Insured Rate Swap Transactions, it being the intention of the parties that their payment obligations under the Insured Rate Swap Transactions be treated separate and apart from all other Transactions unless otherwise agreed to in writing by the Swap Insurer.

(h) ***No Set-off for Counterclaim.*** In no event shall either Party A or Party B be entitled to set-off its payment obligations in respect of an Insured Rate Swap Transaction against the payment obligations of the other party (whether by counterclaim or otherwise) under any other agreement(s) between Party A and Party B or instrument(s) or undertaking(s) issued or executed by one party to, or in favor of, the other party, if such obligations are not Insured Rate Swap Transactions, or net the payment obligations of the other party that are not with respect to Insured Rate Swap Transactions against the payment obligations of such party under Insured Rate Swap Transactions, it being the intention of the parties that their payment obligations under Insured Rate Swap Transactions be treated separate and apart from all other obligations. Notwithstanding Section 6(e) of this Agreement, the amount payable under Section 6(e) of this Agreement upon the termination of any Insured Rate Swap Transaction shall be determined without regard to any obligation other than those under the Insured Rate Swap Transactions, it being the intention of the parties that their payment obligations under the Insured Rate Swap Transactions be treated separate and apart from all other obligations unless otherwise specified in such other obligation and agreed to in writing by the Swap Insurer.

(i) ***Party A – Notice of Rating Downgrade, Suspension or Withdrawal.*** Party A shall provide written notice to Party B and to the Swap Insurer of any downgrade, withdrawal or suspension of Party A's Credit Support Provider's long-term senior unsecured debt rating, within 15 Business Days of the occurrence of such event. Failure of Party A to provide such notice shall not constitute an Event of Default under this Agreement.

(j) ***Representations and Agreements.*** Each party agrees that each of its representations and agreements in this Agreement is expressly made to and for the benefit of the Swap Insurer.

(k) ***Third-party Beneficiary.*** Party A and Party B hereby each acknowledge and agree that the Swap Insurer shall be an express third-party beneficiary (and not merely an incidental third-party beneficiary) of this Agreement and of the obligations of each such party under any Insured Rate Swap Transaction, and as such, entitled to enforce the Agreement and the terms of any such Insured Rate Swap Transaction against such party on its own behalf and otherwise shall be afforded all remedies available hereunder or otherwise afforded by law against the parties hereto to redress any damage or loss incurred by the Swap Insurer including, but not limited to, fees (including professional fees), costs and expenses incurred by the Swap Insurer which are related to, or resulting from any breach by such party of its obligations hereunder.

(l) ***Policy Coverage.*** Party A and Party B hereby acknowledge and agree that the Swap Insurer's obligation with respect to Insured Rate Swap Transactions shall be limited to the terms of the Swap Insurance Policy. Notwithstanding Section 2(d) or any other provision of this

Detroit/Amended and Restated Schedule GRS-SBS (FGIC)
OHS East:160571423.9

Agreement, the Swap Insurer shall not have any obligation to pay interest on any amount payable by Party B under this Agreement.

(m) **Subrogation.** Party A and Party B hereby acknowledge that to the extent of payments made by the Swap Insurer to Party A under the Swap Insurance Policy, the Swap Insurer shall be fully subrogated to the rights of Party A against Party B under the Insured Rate Swap Transaction to which such payments relate, including, but not limited to, the right to receive payment from Party B and the enforcement of any remedies. Party A hereby agrees to assign to the Swap Insurer its right to receive payment from Party B under any Insured Rate Swap Transaction to the extent of any payment thereunder by the Swap Insurer to Party A. Party B hereby acknowledges and consents to the assignment by Party A to the Swap Insurer of any rights and remedies that Party A has under any Insured Rate Swap Transaction or any other document executed in connection herewith.

(n) **Isolation of Insured Rate Swap Transactions in Designating an Early Termination Date.**

(i) Notwithstanding Section 6 of this Agreement, any designation of an Early Termination Date in respect of non-Swap Insurer Insured Rate Swap Transactions by Party A or Party B shall not apply to any Insured Rate Swap Transactions under this Agreement, unless expressly provided in such designation and agreed to in writing by the Swap Insurer.

(ii) Notwithstanding Section 6 of this Agreement, any designation of an Early Termination Date in respect of the Insured Rate Swap Transactions by the Swap Insurer or by Party A or Party B shall apply only to the Insured Rate Swap Transactions and not to any other Transaction under this Agreement, unless expressly provided in such designation and agreed to in writing by the Swap Insurer. Nothing contained in this Part 5(n) shall affect the rights of Party A under this Agreement to designate an Early Termination Date in respect of any Transaction that is not an Insured Rate Swap Transaction, which designation shall not apply to the Insured Rate Swap Transactions.

(o) **Expenses.** Party B agrees to reimburse the Swap Insurer immediately and unconditionally upon demand for all reasonable expenses incurred by the Swap Insurer in connection with the issuance of the Swap Insurance Policy and the enforcement by the Swap Insurer of Party B's obligations under this Agreement and any other documents executed in connection with the execution and delivery of this Agreement, including, but not limited to, fees (including professional fees), costs and expenses incurred by the Swap Insurer which are related to, or resulting from, any breach by Party B of its obligations hereunder.

(p) **Notices.** A copy of each notice or other communication between the parties with respect to this Agreement must be forwarded to the Swap Insurer by the party distributing such notice or other communication and any such notice or other communication shall not be effective as to the parties hereto until it has been received by the Swap Insurer.

(q) **Reference Market-makers.** The definition of "Reference Market-makers" set forth in Section 12 of the Agreement shall be amended in its entirety to read as follows:

Detroit/Amended and Restated Schedule GRS-SBS (FGIC)
OHS East:160571423.9

“Reference Market-makers” means four (4) leading dealers in the relevant swap market selected by the party determining a Market Quotation in good faith (a) from among dealers of the highest credit standing which satisfy all the criteria that such party applies generally at the time of deciding whether to offer or to make an extension of credit and (b) to the extent practicable, from among dealers having an office in the same metropolitan area. The rating classification assigned to any outstanding long-term senior debt securities of such dealers shall be at least (1) “A1” or higher as determined by Moody’s, (2) “A+” or higher as determined by S&P or if not rated by one of S&P or Moody’s, (3) an equivalent investment grade rating determined by a nationally-recognized rating service acceptable to both parties, provided, however, that in any case, if Market Quotations cannot be determined by four (4) such dealers, the party making the determination of the Market Quotation may designate, with the consent of the other party and the Swap Insurer, one (1) or more leading dealers whose long-term senior debt bears a lower investment grade rating or the parties may agree, with the consent of the Swap Insurer, to use fewer than four (4) leading dealers.

(r) **Party A Delivery of Legal Opinion.** Party A will be required to deliver a legal opinion with respect to its power and authority to enter into the Agreement and to the enforceability of the Agreement, satisfactory in form and substance to the Swap Insurer, with the Swap Insurer as an addressee.

(s) **Additional Representations of Party B.** Party B hereby further represents to Party A (which representations will be deemed to be repeated by Party B at all times until the termination of this Agreement) that:

(i) This Agreement has been, and each Transaction hereunder will be (and, if applicable, has been), entered into for the purposes of managing its borrowings and not for purposes of speculation.

(ii) Party B has taken all steps necessary or advisable to create the security and source of payment for Party B’s obligations hereunder described in Section 4(f) of the Agreement.

(iii) Any Transaction entered into pursuant to this Agreement together with any transactions that Party B has or may enter into with Party A and/or with any or all other parties does not and will not violate or exceed any limits or restrictions contained in any authorizations, approvals or resolutions of the board of directors, shareholders or other authorized body of Party B.

(iv) The execution and delivery by Party B of this Agreement, each Confirmation and any other documentation relating hereto, and the performance of Party B of its obligations hereunder and thereunder, are in furtherance, and not in violation, of the municipal purposes for which Party B is organized pursuant to the laws of the State of Michigan.

(v) This Agreement and each Transaction hereunder do not constitute any kind of investment by Party B that is proscribed by any constitution, charter, law, rule, regulation, government code, constituent or governing instrument, resolution, guideline, ordinance,

order, writ, judgment, decree, charge, or ruling to which Party B (or any of its officials in their respective capacities as such) or its property is subject.

(t) **Optional Early Termination.** Party A shall have the right to terminate one or more Transactions hereunder, either in whole or in part, on any Business Day; *provided* that no Event of Default or Termination Event is then occurring with respect to which Party A is the Defaulting Party or sole Affected Party, by providing at least five (5) Business Days' prior written notice to Party B of its election to terminate and its designation of the effective date of termination (the "Party A Optional Early Termination Date"). On the Party A Optional Early Termination Date, Party A shall determine the amount payable in connection with such termination as the greater of (i) zero and (ii) the amount calculated in accordance with Section 6(e) of the Agreement, as if (A) the Party A Optional Early Termination Date were the Early Termination Date with respect to the terminated Transaction(s) or portion thereof, (B) the terminated Transaction(s) were the sole Affected Transaction(s), (C) Party B were the sole Affected Party and (D) Second Method and Loss applied. For the avoidance of doubt, in no event will Party B owe any amount to Party A in connection with an election by Party A to exercise its option under this Part 5(t), other than any Unpaid Amounts.

The parties hereto agree that the Credit Support Providers shall be express third party beneficiaries of this Agreement, including but not limited to all of the representations, covenants, agreements and other obligations of the parties to this Agreement. Additionally, notwithstanding anything contained herein to the contrary, the parties hereby agree that in the event Credit Support Providers are replaced as the "Credit Support Provider" by a Substitute Credit Support Provider (as defined in the Transaction Transfer Agreement) under the Transaction Transfer Agreement in accordance with the terms thereof, then the Substitute Credit Support Provider shall be deemed

to be the Credit Support Provider hereunder and all references herein to either Credit Support Provider or both shall be deemed to be references to such Substitute Credit Support Provider.

(c) *Assignment.*

- (i) Notwithstanding Part 5 of this Agreement, Party B, Party A and the Swap Insurer (by its delivery of the Swap Insurance Policy is deemed to have agreed) each hereby acknowledges and agrees that (A) provided that Party A is not a Defaulting Party or the sole Affected Party, Party A shall have at any time, other than following the occurrence of an Event of Default under this Agreement where Party B is the Defaulting Party or a Termination Event under this Agreement where Party B is the Affected Party or any event which with the giving of notice and/or the passage of time would constitute an Event of Default under this Agreement where Party B is the Defaulting Party or a Termination Event under this Agreement where Party B is the Affected Party, the right to transfer and assign all of Party A's rights, interests and obligations in, to and under this Agreement and all Transactions hereunder to MLCS by written notice to Party B and the Credit Support Providers specifying the effective date (such effective date, the "Assignment Date") of such transfer and assignment (and such transfer and assignment shall automatically occur as of the Assignment Date without the need for further action by any party), and (B) MLCS shall have the right, at any time and for any reason in its sole discretion, to request that Party A transfer and assign all of Party A's rights, interests and obligations in, to and under this Agreement and all Transactions hereunder to MLCS by written notice to Party B and Party A specifying the Assignment Date of such transfer and assignment (and such transfer and assignment shall automatically occur as of the Assignment Date without the need for further action by any party).

In the event that any net Unpaid Amounts would be owing by Party B to Party A (such that clause (iii) of the preceding sentence would not be applicable), Party A hereby assigns to MLCS, absolutely and not for purposes of security, all of Party A's right to receive any such net Unpaid Amounts from Party B, and Party A agrees that only MLCS shall be entitled to receive any such net Unpaid Amounts from Party B, and that Party A shall have no recourse to Party B with respect thereto.

(b) In the event that a Settlement Amount would be payable by Party B to Party A, Party A agrees that (i) the termination of this Agreement concurrently with the entry by MLCS into a Transfer Swap Agreement with Party B in accordance with Paragraph 2 of the Transaction Transfer Agreement, (ii) the agreement by MLCS to pay such Settlement Amount to Party B in consideration of Party B entering into such Transfer Swap Agreement (which MLCS agrees to pay pursuant to the Transaction Transfer Agreement), (iii) the absolute assignment by Party B to Party A of Party B's right to receive such Settlement Amount from Credit Support Provider, and (iv) the payment by MLCS to Party B of any net Unpaid Amounts owing to Party B (which MLCS agrees to pay pursuant to the Transaction Transfer Agreement) shall constitute full satisfaction of any payment otherwise owing from Party B to Party A pursuant to Section 6(e) of this Agreement, and that Party B shall be fully discharged from any and all obligations under Section 6(e) of this Agreement. In accordance with clause (iii) of the preceding sentence, Party B hereby assigns to Party A, absolutely and not for purposes of security, all of Party B's right to

receive any such Settlement Amount from MLCS pursuant to clause (ii) of the preceding sentence, and Party A agrees that only MLCS shall be obligated to pay such Settlement Amount to Party A, and that Party A shall have no recourse to Party B with respect thereto. In the event that any net Unpaid Amounts would be owing by Party B to Party A (such that clause (iv) of the first sentence of this Part 7(b) would not be applicable), Party A hereby assigns to MLCS, absolutely and not for purposes of security, all of Party A's right to receive any such net Unpaid Amounts from Party B, and Party A agrees that only MLCS shall be entitled to receive any such net Unpaid Amounts from Party B, and that Party A shall have no recourse to Party B with respect thereto.

(c) In the event that a Settlement Amount is to be determined, the parties agree that such Settlement Amount shall be determined by MLCS on behalf of, and for the benefit of, the Non-defaulting Party or the party which is not the Affected Party (as applicable), and that such Settlement Amount shall be conclusive. For purposes of determining such Settlement Amount, MLCS shall not be obligated to obtain quotations from more than one Reference Market-maker, which Reference Market-maker may be MLCS. Notwithstanding the foregoing, if an Event of Default or Termination Event shall have occurred with respect to which Party A is the Defaulting Party or an Affected Party, and such Event of Default or Termination Event (x) is triggered by the occurrence of an event which, by definition of such Event of Default or Termination Event, occurs with respect to MLCS or the Credit Support Document, and (y) arises solely by reason of an event or condition that is directly attributable to MLCS under this Agreement or the Transaction Transfer Agreement, then Party B, and not Credit Support Provider, shall determine such Settlement Amount.

 - (ii) Section 3 is amended by adding the following subsections (e), (f) and (g) thereto:
 - (e) ***Non-Speculation.*** Party B represents and warrants to Party A that this Agreement has been, and each Transaction hereunder will be, entered into for purposes of managing of its borrowings or investments or in connection with a line of business and not for the purpose of speculation;
 - (f) ***Eligible Contract Participant.*** Each party is an “eligible contract participant” under, and as defined in, Section 1a(12) of the Commodity Exchange Act, as amended (7 U.S.C. § 1a(12)); and
 - (g) ***Sources of Payment.*** As provided in the Contract Administration Agreement, all payments due under this Agreement from Party B to Party A are payable from and secured by amounts owing by the City to Party B pursuant to the Service Contract in respect of Hedge Payables. Such amounts are payable by the City from all available revenues

of the City's General Fund (as delineated in the City's audited financial statements). If the City were to fail to pay any amount owing in respect of a Hedge Payable when due, Party A (or the Contract Administrator, if authorized by Party A to so act on Party A's behalf) could pursue remedies against the City to enforce that contractual obligation and the City would be required to pay any resulting judgment against it. If the City were to fail to provide for payment of any such judgment, a court can compel the City to raise the payment through the levy of taxes, as provided in the Revised Judicature Act of 1961, Act No. 236 of the Michigan Public Acts of 1961, as amended (Michigan Compiled Laws Section 600.6093), without limit as to rate or amount. In addition, all amounts due from Party B hereunder are secured by and payable from the Pledged Property (including, but not limited to, amounts held in the Holdback Account) in accordance with the terms of the Collateral Agreement.

(c) **Additional Agreements.**

Compliance with Covered Indenture. Party B will observe, perform and fulfill each provision in the Covered Indenture applicable to Party B. Party B hereby agrees not to amend, supplement, modify or waive any provision of the Covered Indenture without the consent of Party A if such amendment, supplement, modification or waiver would: (i) change any of the payment times, amounts, obligations, terms or any other payment-related provision in any Service Contract applicable to the City; (ii) impair any right Party B may have under the Service Contract to enforce payments from the City, or impair any right Party A may have under the Covered Indenture to enforce its security interest granted therein or any other right thereunder; or (iii) permit the creation of any new lien ranking prior to or on a parity with, or terminate, or deprive Party A of the security afforded to it by Sections 8.02 and 8.03 of the Service Contracts or Section 2.4 of the Contract Administration Agreement (collectively, the "Incorporated Provisions"). The Incorporated Provisions are hereby incorporated by reference and made a part of this Agreement to the same extent as if such provisions were set forth herein. Any amendment, supplement, modification or waiver of any of the Incorporated Provisions without the prior written consent of the other party hereto shall have no force and effect with respect to this Agreement. Any amendment supplement or modification for which such consent is obtained shall be part of the Incorporated Provisions for purposes of this Agreement. Party B shall not assign or transfer its right or obligations under the Covered Indenture without the prior written consent of the other party hereto and the Swap Insurer.

Insurer Provisions

The following provisions shall apply to any Transactions for which the Swap Insurance Policy has been issued by the Swap Insurer, for the account of Party B, as principal, and Party A, as beneficiary (the “Insured Rate Swap Transactions”):

(a) ***Designation of Early Termination Date.*** Notwithstanding anything to the contrary in Section 6 of this Agreement, if any:

- (i) Event of Default in respect of any Insured Rate Swap Transaction under this Agreement occurs; or
- (ii) Termination Event (other than the Additional Termination Events set forth in Part 5(b) below) in respect of any Insured Rate Swap Transaction under this Agreement occurs;

then, in either such case, neither Party A nor Party B shall designate an Early Termination Date pursuant to Section 6 of this Agreement in respect of any such Insured Rate Swap Transaction without the prior written consent of the Swap Insurer.

(b) ***Party B Additional Termination Events.*** The following shall each constitute an Additional Termination Event:

- (i) the Swap Insurer fails to meet its payment obligations under the Swap Insurance Policy and such failure is continuing with respect to Insurer under the Swap Insurance Policy; or
- (ii) the Swap Insurer fails to have a claims-paying ability rating of at least “A-” from S&P or a financial strength rating of at least “A3” from Moody’s; provided, however, that additionally:
 - (1) an Event of Default has occurred or is continuing with respect to Party B as the Defaulting Party; or

- (2) a Termination Event has occurred or is continuing with respect to Party B as the Affected Party; or
- (iii) An Insurer Event has occurred and is continuing provided, however, that additionally:
 - (1) an Event of Default has occurred or is continuing with respect to Party B as the Defaulting Party; or
 - (2) a Termination Event has occurred or is continuing with respect to Party B as the Affected Party; or

Any of the following shall be considered an "Insurer Event":

- (1) the Swap Insurer is in conservation, liquidation or receivership under the New York Insurance Laws; or
- (2) the Swap Insurer (a) fails to have (1) a claims-paying ability rating of at least "AAA" from S&P, or (2) a financial strength rating of at least "Aaa" from Moody's; and (b) fails to pay obligations for indebtedness for money borrowed or to meet then-current policy obligations for which claims have been properly presented in a aggregate amount in excess of \$100,000,000, which failure to make payment (in whole or in part) is not due to: (u) administrative error; (v) Swap Insurer action to contest a claim; (w) an order from, or action by, a regulator of the Swap Insurer which forbids, delays or impedes such payment, except in connection with a Swap Insurer insolvency, conservation or receivership; (x) the occurrence of an act of God which prevents such payment; (y) the usual mechanisms or channels employed to make such payment being unavailable to the Swap Insurer through no fault of the Swap Insurer; (z) a statute, rule or order (including, but not limited to exchange controls) which forbids, delays or impedes either (i) such payment, other than in connection with a Swap Insurer insolvency, conservation or receivership, or (ii) the acquisition of, or payment in, a currency required in order to make such payment; or

For purposes of any Additional Termination Event described under clause (i), (ii), or (iii), the sole "Affected Party" shall be Party B.

(c) ***Insurer Directed Termination.*** Notwithstanding anything in this Agreement, if an Event of Default under this Agreement occurs with respect to Party B as the Defaulting Party or any Termination Event under this Agreement occurs with respect to Party B as the Affected Party, then the Swap Insurer (so long as it has not failed to make any payment under the terms and conditions of the Swap Insurance Policy) shall have the right (but not the obligation) upon notice to Party A to designate an Early Termination Date with respect to Party B with the same effect as if such designation were made by Party A. For purposes of the foregoing sentence, an Event of Default with respect to Party B shall be considered to be continuing, notwithstanding any

payment by the Swap Insurer under the Swap Insurance Policy. Party A and Party B acknowledge that, except as the Swap Insurance Policy may be otherwise endorsed, unless (x) the Swap Insurer designates an Early Termination Date (as opposed to merely consenting to such designation by one of the parties) or (y) an Additional Termination Event specified in Part 5(b)(i) or (ii) has occurred, payments due from Party B because an Early Termination Date has been designated will not be insured. In any event, the parties acknowledge that pursuant to the Swap Insurance Policy that (i) the amount payable by the Swap Insurer in respect of payments due from Party B because an Early Termination Date has been designated by the Swap Insurer shall not be limited in amount, and (ii) the amount payable by the Swap Insurer in respect of payments due from Party B because an Early Termination Date has been designated by Party A shall not exceed the amount specified in the Swap Insurance Policy.

(d) **Amendments.** Section 8(b) of the Agreement is hereby amended by (A) adding the words “or any Credit Support Document” after the word “Agreement” in the first line thereof and (B) adding the phrase “and the Swap Insurer” following the words “parties” in the third line thereof.

(e) **Transfers/Assignments.** Notwithstanding Section 7 of the Agreement, except as set forth in Part 6(c) hereof, neither party may transfer, assign or delegate its rights or duties with respect to an Insured Rate Swap Transaction under the Agreement, unless it receives the prior written consent of the Swap Insurer; provided, however, that Party A may assign or delegates its rights and duties without the Swap Insurer’s prior written consent to a party (a) that meets the definition of “Reference Market Maker” (other than the ratings requirement set forth therein) and that has long-term senior unsecured debt ratings at least in the single –A category from Moody’s and S&P or the Credit Support Provider of such party has claims paying ability ratings or financial strength ratings at least in the single –A category from Moody’s and S&P and (b) that assumes the rights and duties of Party A pursuant to a master agreement that is substantially similar to this Agreement and in form and substance satisfactory to the Swap Insurer; and provided, further, that Party A may make such an assignment or delegation to an affiliate of Party A if Party A or its Credit Support Provider, provides a guarantee of the Insured Rate Swap Transaction that is reasonably acceptable in form and substance to the Swap Insurer.

(f) **No Suspension of Payments.** Notwithstanding Section 2(a)(iii) of this Agreement, Party A shall not suspend any payments due under an Insured Rate Swap Transaction under Section 2(a)(iii) of the Agreement unless Party A has designated an Early Termination Date pursuant to the terms hereof.

(g) **No Netting.** Notwithstanding Section 2(c) of this Agreement, in no event shall either Party A or Party B be entitled to net its payment obligations in respect of the Insured Rate Swap Transactions against the payment obligations of the other party in respect of other Transactions under this Agreement if such Transactions are not Insured Rate Swap Transactions, nor may either Party A or Party B net the payment obligations of the other party under Transactions that are not Insured Rate Swap Transactions against the payment obligations of such party under Insured Rate Swap Transactions, it being the intention of the parties that their payment obligations under Insured Rate Swap Transactions be treated separate and apart from all other Transactions. Section 6(e) of this Agreement shall apply to all Insured Rate Swap Transactions with the same effect as if the Insured Rate Swap Transactions constituted a single master

agreement. Notwithstanding Section 6(e) of this Agreement, the amount payable under Section 6(e) of this Agreement upon the termination of any Insured Rate Swap Transactions shall be determined without regard to any Transactions other than the Insured Rate Swap Transactions, it being the intention of the parties that their payment obligations under the Insured Rate Swap Transactions be treated separate and apart from all other Transactions unless otherwise agreed to in writing by the Swap Insurer.

(h) **No Set-off for Counterclaim.** In no event shall either Party A or Party B be entitled to set-off its payment obligations in respect of an Insured Rate Swap Transaction against the payment obligations of the other party (whether by counterclaim or otherwise) under any other agreement(s) between Party A and Party B or instrument(s) or undertaking(s) issued or executed by one party to, or in favor of, the other party, if such obligations are not Insured Rate Swap Transactions, or net the payment obligations of the other party that are not with respect to Insured Rate Swap Transactions against the payment obligations of such party under Insured Rate Swap Transactions, it being the intention of the parties that their payment obligations under Insured Rate Swap Transactions be treated separate and apart from all other obligations. Notwithstanding Section 6(e) of this Agreement, the amount payable under Section 6(e) of this Agreement upon the termination of any Insured Rate Swap Transaction shall be determined without regard to any obligation other than those under the Insured Rate Swap Transactions, it being the intention of the parties that their payment obligations under the Insured Rate Swap Transactions be treated separate and apart from all other obligations unless otherwise specified in such other obligation and agreed to in writing by the Swap Insurer.

(i) **Party A – Notice of Rating Downgrade, Suspension or Withdrawal.** Party A shall provide written notice to Party B and to the Swap Insurer of any downgrade, withdrawal or suspension of Party A's Credit Support Provider's long-term senior unsecured debt rating, within 15 Business Days of the occurrence of such event. Failure of Party A to provide such notice shall not constitute an Event of Default under this Agreement.

(j) **Representations and Agreements.** Each party agrees that each of its representations and agreements in this Agreement is expressly made to and for the benefit of the Swap Insurer.

(k) **Third-party Beneficiary.** Party A and Party B hereby each acknowledge and agree that the Swap Insurer shall be an express third-party beneficiary (and not merely an incidental third-party beneficiary) of this Agreement and of the obligations of each such party under any Insured Rate Swap Transaction, and as such, entitled to enforce the Agreement and the terms of any such Insured Rate Swap Transaction against such party on its own behalf and otherwise shall be afforded all remedies available hereunder or otherwise afforded by law against the parties hereto to redress any damage or loss incurred by the Swap Insurer including, but not limited to, fees (including professional fees), costs and expenses incurred by the Swap Insurer which are related to, or resulting from any breach by such party of its obligations hereunder.

(l) **Policy Coverage.** Party A and Party B hereby acknowledge and agree that the Swap Insurer's obligation with respect to Insured Rate Swap Transactions shall be limited to the terms of the Swap Insurance Policy. Notwithstanding Section 2(d) or any other provision of this Agreement, the Swap Insurer shall not have any obligation to pay interest on any amount payable by Party B under this Agreement.

Detroit/Amended and Restated Schedule PFRS-SBS (FGIC)
OHS East:160571427.9

(m) **Subrogation.** Party A and Party B hereby acknowledge that to the extent of payments made by the Swap Insurer to Party A under the Swap Insurance Policy, the Swap Insurer shall be fully subrogated to the rights of Party A against Party B under the Insured Rate Swap Transaction to which such payments relate, including, but not limited to, the right to receive payment from Party B and the enforcement of any remedies. Party A hereby agrees to assign to the Swap Insurer its right to receive payment from Party B under any Insured Rate Swap Transaction to the extent of any payment thereunder by the Swap Insurer to Party A. Party B hereby acknowledges and consents to the assignment by Party A to the Swap Insurer of any rights and remedies that Party A has under any Insured Rate Swap Transaction or any other document executed in connection herewith.

(n) ***Isolation of Insured Rate Swap Transactions in Designating an Early Termination Date.***

(i) Notwithstanding Section 6 of this Agreement, any designation of an Early Termination Date in respect of non-Swap Insurer Insured Rate Swap Transactions by Party A or Party B shall not apply to any Insured Rate Swap Transactions under this Agreement, unless expressly provided in such designation and agreed to in writing by the Swap Insurer.

(ii) Notwithstanding Section 6 of this Agreement, any designation of an Early Termination Date in respect of the Insured Rate Swap Transactions by the Swap Insurer or by Party A or Party B shall apply only to the Insured Rate Swap Transactions and not to any other Transaction under this Agreement, unless expressly provided in such designation and agreed to in writing by the Swap Insurer. Nothing contained in this Part 5(n) shall affect the rights of Party A under this Agreement to designate an Early Termination Date in respect of any Transaction that is not an Insured Rate Swap Transaction, which designation shall not apply to the Insured Rate Swap Transactions.

(o) **Expenses.** Party B agrees to reimburse the Swap Insurer immediately and unconditionally upon demand for all reasonable expenses incurred by the Swap Insurer in connection with the issuance of the Swap Insurance Policy and the enforcement by the Swap Insurer of Party B's obligations under this Agreement and any other documents executed in connection with the execution and delivery of this Agreement, including, but not limited to, fees (including professional fees), costs and expenses incurred by the Swap Insurer which are related to, or resulting from, any breach by Party B of its obligations hereunder.

(p) **Notices.** A copy of each notice or other communication between the parties with respect to this Agreement must be forwarded to the Swap Insurer by the party distributing such notice or other communication and any such notice or other communication shall not be effective as to the parties hereto until it has been received by the Swap Insurer.

(q) **Reference Market-makers.** The definition of "Reference Market-makers" set forth in Section 12 of the Agreement shall be amended in its entirety to read as follows:

"Reference Market-makers" means four (4) leading dealers in the relevant swap market selected by the party determining a Market Quotation in good faith (a) from among

dealers of the highest credit standing which satisfy all the criteria that such party applies generally at the time of deciding whether to offer or to make an extension of credit and (b) to the extent practicable, from among dealers having an office in the same metropolitan area. The rating classification assigned to any outstanding long-term senior debt securities of such dealers shall be at least (1) "A1" or higher as determined by Moody's, (2) "A+" or higher as determined by S&P or if not rated by one of S&P or Moody's, (3) an equivalent investment grade rating determined by a nationally-recognized rating service acceptable to both parties, provided, however, that in any case, if Market Quotations cannot be determined by four (4) such dealers, the party making the determination of the Market Quotation may designate, with the consent of the other party and the Swap Insurer, one (1) or more leading dealers whose long-term senior debt bears a lower investment grade rating or the parties may agree, with the consent of the Swap Insurer, to use fewer than four (4) leading dealers.

(r) ***Party A Delivery of Legal Opinion.*** Party A will be required to deliver a legal opinion with respect to its power and authority to enter into the Agreement and to the enforceability of the Agreement, satisfactory in form and substance to the Swap Insurer, with the Swap Insurer as an addressee.

(s) ***Additional Representations of Party B.*** Party B hereby further represents to Party A (which representations will be deemed to be repeated by Party B at all times until the termination of this Agreement) that:

(i) This Agreement has been, and each Transaction hereunder will be (and, if applicable, has been), entered into for the purposes of managing its borrowings and not for purposes of speculation.

(ii) Party B has taken all steps necessary or advisable to create the security and source of payment for Party B's obligations hereunder described in Section 4(f) of the Agreement.

(iii) Any Transaction entered into pursuant to this Agreement together with any transactions that Party B has or may enter into with Party A and/or with any or all other parties does not and will not violate or exceed any limits or restrictions contained in any authorizations, approvals or resolutions of the board of directors, shareholders or other authorized body of Party B.

(iv) The execution and delivery by Party B of this Agreement, each Confirmation and any other documentation relating hereto, and the performance of Party B of its obligations hereunder and thereunder, are in furtherance, and not in violation, of the municipal purposes for which Party B is organized pursuant to the laws of the State of Michigan.

(v) This Agreement and each Transaction hereunder do not constitute any kind of investment by Party B that is proscribed by any constitution, charter, law, rule, regulation, government code, constituent or governing instrument, resolution, guideline, ordinance, order, writ, judgment, decree, charge, or ruling to which Party B (or any of its officials in their respective capacities as such) or its property is subject.

(t) **Optional Early Termination.** Party A shall have the right to terminate one or more Transactions hereunder, either in whole or in part, on any Business Day; *provided* that no Event of Default or Termination Event is then occurring with respect to which Party A is the Defaulting Party or sole Affected Party, by providing at least five (5) Business Days' prior written notice to Party B of its election to terminate and its designation of the effective date of termination (the "Party A Optional Early Termination Date"). On the Party A Optional Early Termination Date, Party A shall determine the amount payable in connection with such termination as the greater of (i) zero and (ii) the amount calculated in accordance with Section 6(e) of the Agreement, as if (A) the Party A Optional Early Termination Date were the Early Termination Date with respect to the terminated Transaction(s) or portion thereof, (B) the terminated Transaction(s) were the sole Affected Transaction(s), (C) Party B were the sole Affected Party and (D) Second Method and Loss applied. For the avoidance of doubt, in no event will Party B owe any amount to Party A in connection with an election by Party A to exercise its option under this Part 5(t), other than any Unpaid Amounts.

(as set forth in the Transaction Transfer Agreement) shall apply to the Agreement as assigned (and shall no longer apply to the terminated Transaction Transfer Agreement).

- (iii) Party B, Party A and Credit Support Provider shall execute such instruments of assignment, assumption and release or discharge, of a ministerial nature, as any of them may reasonably request to evidence or effectuate the provisions in this Part 6(c).

Part 7.

Credit Support Provisions.

(a) In the event that a Settlement Amount would be payable by Party A to Party B, Party B agrees that (i) the termination of this Agreement concurrently with the entry by MLCS into a Transfer Swap Agreement (as defined in Paragraph 2 of the Transaction Transfer Agreement) with Party B in accordance with Paragraph 2 of the Transaction Transfer Agreement, (ii) the agreement by Party A to pay such Settlement Amount to MLCS in consideration of MLCS entering into such Transfer Swap Agreement (and Party A hereby agrees to pay such Settlement Amount); *provided*, that the Transaction Transfer Agreement shall be effective irrespective of the nonpayment of such Settlement Amount by Party A to MLCS, and (iii) the payment by MLCS to Party B of any net Unpaid Amounts owing to Party B (which MLCS agrees to pay pursuant to the Transaction Transfer Agreement), shall constitute full satisfaction of any payment otherwise owing from Party A to Party B pursuant to Section 6(e) of this Agreement, and that Party A shall be fully discharged from any and all obligations under Section 6(e) of this Agreement. In the event that any net Unpaid Amounts would be owing by Party B to Party A (such that clause (iii) of the preceding sentence would not be applicable), Party A hereby assigns to MLCS, absolutely and not for purposes of security, all of Party A's right to receive any such net Unpaid Amounts from Party B, and Party A agrees that only MLCS shall be entitled to receive any such net Unpaid Amounts from Party B, and that Party A shall have no recourse to Party B with respect thereto.

(b) In the event that a Settlement Amount would be payable by Party B to Party A, Party A agrees that (i) the termination of this Agreement concurrently with the entry by MLCS into a Transfer Swap Agreement with Party B in accordance with Paragraph 2 of the Transaction Transfer Agreement, (ii) the agreement by MLCS to pay such Settlement Amount to Party B in consideration of Party B entering into such Transfer Swap Agreement (which MLCS agrees to pay pursuant to the Transaction Transfer Agreement), (iii) the absolute assignment by Party B to Party A of Party B's right to receive such Settlement Amount from Credit Support Provider, and (iv) the payment by MLCS to Party B of any net Unpaid Amounts owing to Party B (which MLCS agrees to pay pursuant to the Transaction Transfer Agreement) shall constitute full satisfaction of any payment otherwise owing from Party B to Party A pursuant to Section 6(e) of this Agreement, and that Party B shall be fully discharged from any and all obligations under Section 6(e) of this Agreement. In accordance with clause (iii) of the preceding sentence, Party B hereby assigns to Party A, absolutely and not for purposes of security, all of Party B's right to receive any such Settlement Amount from MLCS pursuant to clause (ii) of the preceding sentence, and Party A agrees that only MLCS shall be obligated to pay such Settlement Amount to Party A, and that Party A shall have no recourse to Party B with respect thereto. In the event that any net Unpaid Amounts would be owing by Party B to Party A (such that clause (iv) of the first sentence of this Part 7(b) would not be applicable), Party A hereby assigns to MLCS,

absolutely and not for purposes of security, all of Party A's right to receive any such net Unpaid Amounts from Party B, and Party A agrees that only MLCS shall be entitled to receive any such net Unpaid Amounts from Party B, and that Party A shall have no recourse to Party B with respect thereto.

(c) In the event that a Settlement Amount is to be determined, the parties agree that such Settlement Amount shall be determined by MLCS on behalf of, and for the benefit of, the Non-defaulting Party or the party which is not the Affected Party (as applicable), and that such Settlement Amount shall be conclusive. For purposes of determining such Settlement Amount, MLCS shall not be obligated to obtain quotations from more than one Reference Market-maker, which Reference Market-maker may be MLCS. Notwithstanding the foregoing, if an Event of Default or Termination Event shall have occurred with respect to which Party A is the Defaulting Party or an Affected Party, and such Event of Default or Termination Event (x) is triggered by the occurrence of an event which, by definition of such Event of Default or Termination Event, occurs with respect to MLCS or the Credit Support Document, and (y) arises solely by reason of an event or condition that is directly attributable to MLCS under this Agreement or the Transaction Transfer Agreement, then Party B, and not Credit Support Provider, shall determine such Settlement Amount.

Part 4. Other Provisions

(a) **Set-off.** Without affecting the provisions of the Agreement requiring the calculation of certain net payment amounts, all payments under this Agreement will be made without set-off or

counterclaim; provided, however, that upon the designation of any Early Termination Date, in addition to and not in limitation of any other right or remedy (including any right to set off, counterclaim, or otherwise withhold payment or any recourse to any Credit Support Document) under applicable law the Non-defaulting Party or Non-affected Party (in either case, "X") may without prior notice to any person set off any sum or obligation (whether or not arising under this Agreement and whether matured or unmatured, whether or not contingent and irrespective of the currency, place of payment or booking office of the sum or obligation) owed by the Defaulting Party or Affected Party (in either case, "Y") to X or any Affiliate of X against any sum or obligation (whether or not arising under this Agreement, whether matured or unmatured, whether or not contingent and irrespective of the currency, place of payment or booking office of the sum or obligation) owed by X or any Affiliate of X to Y and, for this purpose, may convert one currency into another at a market rate determined by X. If any sum or obligation is unascertained, X may in good faith estimate that sum or obligation and set-off in respect of that estimate, subject to X or Y, as the case may be, accounting to the other party when such sum or obligation is ascertained.

(b) **Additional Representations.**

- (i) The first sentence of Section 3 is amended to read in its entirety as follows:

"Each party represents to each other party (which representations will be deemed to be repeated on each date on which a Transaction is entered into and, in the case of the representations in Section 3(a), 3(e) and 3(f) of this Agreement, at all times until the termination of this Agreement) the following:"

- (ii) Section 3 is amended by adding the following subsections (e), (f) and (g) thereto:

(e) **Non-Speculation.** Party B represents and warrants to Party A that this Agreement has been, and each Transaction hereunder will be, entered into for purposes of managing of its borrowings or investments or in connection with a line of business and not for the purpose of speculation;

(f) **Eligible Contract Participant.** Each party is an "eligible contract participant" under, and as defined in, Section 1a(12) of the Commodity Exchange Act, as amended (7 U.S.C. § 1a(12)); and

(g) **Sources of Payment.** As provided in the Contract Administration Agreement, all payments due under this Agreement from Party B to Party A are payable from and secured by amounts owing by the City to Party B pursuant to the Service Contract in respect of Hedge Payables. Such amounts are payable by the City from all available revenues of the City's General Fund (as delineated in the City's audited financial statements). If the City were to fail to pay any amount owing in respect of a Hedge Payable when due, Party A (or the Contract Administrator, if authorized by Party A to so act on Party A's behalf) could pursue remedies against the City to enforce that contractual obligation and the City would be required to pay any resulting judgment against it. If the City were to fail to provide for payment of any such judgment, a court can compel the City

to raise the payment through the levy of taxes, as provided in the Revised Judicature Act of 1961, Act No. 236 of the Michigan Public Acts of 1961, as amended (Michigan Compiled Laws Section 600.6093), without limit as to rate or amount. In addition, all amounts due from Party B hereunder are secured by and payable from the Pledged Property (including, but not limited to, amounts held in the Holdback Account) in accordance with the terms of the Collateral Agreement.

(c) **Additional Agreement.**

Compliance with Covered Indenture. Party B will observe, perform and fulfill each provision in the Covered Indenture applicable to Party B. Party B hereby agrees not to amend, supplement, modify or waive any provision of the Covered Indenture without the consent of Party A if such amendment, supplement, modification or waiver would: (i) change any of the payment times, amounts, obligations, terms or any other payment-related provision in any Service Contract applicable to the City; (ii) impair any right Party B may have under the Service Contract to enforce payments from the City, or impair any right Party A may have under the Covered Indenture to enforce its security interest granted therein or any other right thereunder; or (iii) permit the creation of any new lien ranking prior to or on a parity with, or terminate, or deprive Party A of the security afforded to it by Sections 8.02 and 8.03 of the Service Contracts or Section 2.4 of the Contract Administration Agreement (collectively, the "Incorporated Provisions"). The Incorporated Provisions are hereby incorporated by reference and made a part of this Agreement to the same extent as if such provisions were set forth herein. Any amendment, supplement, modification or waiver of any of the Incorporated Provisions without the prior written consent of the other party hereto shall have no force and effect with respect to this Agreement. Any amendment supplement or modification for which such consent is obtained shall be part of the Incorporated Provisions for purposes of this Agreement. Party B shall not assign or transfer its right or obligations under the Covered Indenture without the prior written consent of the other party hereto and the Swap Insurer.

(d) **Relationship Between Parties.** Each party will be deemed to represent to the other party on the date on which it enters into a Transaction that (absent a written agreement between the parties that expressly imposes affirmative obligations to the contrary for that Transaction):

- (i) **Non-Reliance.** It is acting for its own account, and it has made its own independent decisions to enter into that Transaction and as to whether that Transaction is appropriate or proper for it based upon its own judgment and upon advice from such advisers as it has deemed necessary. It is not relying on any communication (written or oral) of the other party as investment advice or as a recommendation to enter into that Transaction; it being understood that information and explanations related to the terms and conditions of a Transaction shall not be considered investment advice or a recommendation to enter into that Transaction. No communication (written or oral) received from the other party shall be deemed to be an assurance or guarantee as to the expected results of that Transaction.

It is capable of assessing the merits of and understanding (on its own behalf or through independent professional advice), and understands and accepts the terms, conditions and risks of that Transaction. It is also capable of assuming, and assumes, the risks of that Transaction.

(iii) Status of Parties. The other party is not acting as a fiduciary for or an adviser to it in respect of that Transaction.

(e) Waiver of Jury Trial. EACH PARTY WAIVES, TO THE EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY PROCEEDINGS RELATING TO THIS AGREEMENT OR ANY CREDIT SUPPORT DOCUMENT

(f) Consent to Recording. Each party (i) consents to the recording of all telephone conversations between trading, operations and marketing personnel of the parties and their Affiliates in connection with this Agreement or any potential Transaction; (ii) agrees to give notice to such personnel of it and its Affiliates that their calls will be recorded; and (iii) agrees that in any Proceedings, it will not object to the introduction of such recordings in evidence on grounds that consent was not properly given.

(g) Scope of Agreement. The Transactions entered into between the parties between May 24 and June 2, 2005 and any other specific Specified Transactions designated in writing by the parties hereto after the date hereof, shall be subject to the terms hereof.

(h) Indemnification Limited to Extent of Applicable Law. Insurer Provisions

The following provisions shall apply to any Transactions for which the Swap Insurance Policy has been issued by the Swap Insurer, for the account of Party B, as principal, and Party A, as beneficiary (the “Insured Rate Swap Transactions”):

(i) **Designation of Early Termination Date.** Notwithstanding anything to the contrary in Section 6 of this Agreement, if any:

(a) Event of Default in respect of any Insured Rate Swap Transaction under this Agreement occurs; or

(b) Termination Event (other than the Additional Termination Events set forth in Part 5(ii) below) in respect of any Insured Rate Swap Transaction under this Agreement occurs;

then, in either such case, neither Party A nor Party B shall designate an Early Termination Date pursuant to Section 6 of this Agreement in respect of any such Insured Rate Swap Transaction without the prior written consent of the Swap Insurer.

(ii) **Party B Additional Termination Events.** The following shall each constitute an Additional Termination Event:

(a) the Swap Insurer fails to meet its payment obligations under the Swap Insurance Policy and such failure is continuing with respect to Insurer under the Swap Insurance Policy; or

(b) the Swap Insurer fails to have a claims-paying ability rating of at least "A-" from S&P or a financial strength rating of at least "A3" from Moody's; provided, however, that additionally:

(X) an Event of Default has occurred or is continuing with respect to Party B as the Defaulting Party; or

(Y) a Termination Event has occurred or is continuing with respect to Party B as the Affected Party; or

(c) An Insurer Event has occurred and is continuing provided, however, that additionally:

(X) an Event of Default has occurred or is continuing with respect to Party B as the Defaulting Party; or

(Y) a Termination Event has occurred or is continuing with respect to Party B as the Affected Party.

Any of the following shall be considered an "Insurer Event":

(1) the Swap Insurer is in conservation, liquidation or receivership under the New York Insurance Laws; or

(2) the Swap Insurer (a) fails to have (1) a claims-paying ability rating of at least "AAA" from S&P, or (2) a financial strength rating of at least "Aaa" from Moody's; and (b) fails to pay obligations for indebtedness for money borrowed or to meet then-current policy obligations for which claims have been properly presented in an aggregate amount in excess of \$100,000,000,

which failure to make payment (in whole or in part) is not due to: (u) administrative error; (v) Swap Insurer action to contest a claim; (w) an order from, or action by, a regulator of the Swap Insurer which forbids, delays or impedes such payment, except in connection with a Swap Insurer insolvency, conservation or receivership; (x) the occurrence of an act of God which prevents such payment; (y) the usual mechanisms or channels employed to make such payment being unavailable to the Swap Insurer through no fault of the Swap Insurer; (z) a statute, rule or order (including, but not limited to exchange controls) which forbids, delays or impedes either (i) such payment, other than in connection with a Swap Insurer insolvency, conservation or receivership, or (ii) the acquisition of, or payment in, a currency required in order to make such payment.

For purposes of any Additional Termination Event described under this Part 5(ii), the sole "Affected Party" shall be Party B.

(iii) Insurer Directed Termination. Notwithstanding anything in this Agreement, if an Event of Default under this Agreement occurs with respect to Party B as the Defaulting Party or any Termination Event under this Agreement occurs with respect to Party B as the Affected Party, then the Swap Insurer (so long as it has not failed to make any payment under the terms and conditions of the Swap Insurance Policy) shall have the right (but not the obligation) upon notice to Party A to designate an Early Termination Date with respect to Party B with the same effect as if such designation were made by Party A. For purposes of the foregoing sentence, an Event of Default with respect to Party B shall be considered to be continuing, notwithstanding any payment by the Swap Insurer under the Swap Insurance Policy. Party A and Party B acknowledge that, except as the Swap Insurance Policy may be otherwise endorsed, unless (x) the Swap Insurer designates an Early Termination Date (as opposed to merely consenting to such designation by one of the parties) or (y) an Additional Termination Event specified in Part 5(ii)(a) or (b) has occurred, payments due from Party B because an Early Termination Date has been designated will not be insured. In any event, the parties acknowledge that pursuant to the Swap Insurance Policy that (i) the amount payable by the Swap Insurer in respect of payments due from Party B because an Early Termination Date has been designated by the Swap Insurer shall not be limited in amount, and (ii) the amount payable by the Swap Insurer in respect of payments due from Party B because an Early Termination Date has been designated by Party A shall not exceed the amount specified in the Swap Insurance Policy.

(iv) Amendments. Section 8(b) of the Agreement is hereby amended by (A) adding the words "or any Credit Support Document" after the word "Agreement" in the first line thereof and (B) adding the phrase "and the Swap Insurer" following the words "parties" in the third line thereof.

(v) Transfers/Assignments. Notwithstanding Section 7 of the Agreement, neither party may transfer, assign or delegate its rights or duties with respect to an Insured Rate Swap Transaction under the Agreement, unless it receives the prior written consent of the Swap Insurer; provided, however, that Party A may assign or delegates its rights and duties without the Swap Insurer's prior written consent to a party (a) that meets the definition of "Reference Market Maker" (other than the ratings requirement set forth therein) and that has long-term senior unsecured debt ratings at least in the single -A category from Moody's and S&P or the Credit Support Provider

of such party has claims paying ability ratings or financial strength ratings at least in the single -- A category from Moody's and S&P and (b) that assumes the rights and duties of Party A pursuant to a master agreement that is substantially similar to this Agreement and in form and substance satisfactory to the Swap Insurer; and provided, further, that Party A may make such an assignment or delegation to an affiliate of Party A if Party A or its Credit Support Provider, provides a guarantee of the Insured Rate Swap Transaction that is acceptable in form and substance to the Swap Insurer.

(vi) No Suspension of Payments. Notwithstanding Section 2(a)(iii) of this Agreement, Party A shall not suspend any payments due under an Insured Rate Swap Transaction under Section 2(a)(iii) of the Agreement unless Party A has designated an Early Termination Date pursuant to the terms hereof.

(vii) No Netting. Notwithstanding Section 2(c) of this Agreement, in no event shall either Party A or Party B be entitled to net its payment obligations in respect of the Insured Rate Swap Transactions against the payment obligations of the other party in respect of other Transactions under this Agreement if such Transactions are not Insured Rate Swap Transactions, nor may either Party A or Party B net the payment obligations of the other party under Transactions that are not insured Rate Swap Transactions against the payment obligations of such party under Insured Rate Swap Transactions, it being the intention of the parties that their payment obligations under Insured Rate Swap Transactions be treated separate and apart from all other Transactions. Section 6(e) of this Agreement shall apply to all Insured Rate Swap Transactions with the same effect as if the Insured Rate Swap Transactions constituted a single master agreement, Notwithstanding Section 6(e) of this Agreement, the amount payable under Section 6(e) of this Agreement upon the termination of any Insured Rate Swap Transactions shall be determined without regard to any Transactions other than the Insured Rate Swap Transactions, it being the intention of the parties that their payment obligations under the Insured Rate Swap Transactions be treated separate and apart from all other Transactions unless otherwise agreed to in writing by the Swap Insurer.

(viii) No Set-off for Counterclaim. In no event shall either Party A or Party B be entitled to set-off its payment obligations in respect of an Insured Rate Swap Transaction against the payment obligations of the other party (whether by counterclaim or otherwise) under any other agreement(s) between Party A and Party B or instrument(s) or undertaking(s) issued or executed by one party to, or in favor of, the other party, if such obligations are not Insured Rate Swap Transactions, or net the payment obligations of the other party that are not with respect to Insured Rate Swap Transactions against the payment obligations of such party under Insured Rate Swap Transactions, it being the intention of the parties that their payment obligations under Insured Rate Swap Transactions be treated separate and apart from all other obligations. Notwithstanding Section 6(e) of this Agreement, the amount payable under Section 6(e) of this Agreement upon the termination of any Insured Rate Swap Transaction shall be determined without regard to any obligation other than those under the insured Rate Swap Transactions, it being the intention of the parties that their payment obligations under the Insured Rate Swap Transactions be treated separate and apart from all other obligations unless otherwise specified in such other obligation and agreed to in writing by the Swap Insurer.

(ix) **Party A — Notice of Rating Downgrade, Suspension or Withdrawal.** Party A shall provide written notice to Party B and to the Swap Insurer of any downgrade, withdrawal or suspension of Party A's long-term senior unsecured debt rating, within 15 Business Days of the occurrence of such event. Failure of Party A to provide such notice shall not constitute an Event of Default under this Agreement.

(x) **Representations and Agreements.** Each party agrees that each of its representations and agreements in this Agreement is expressly made to and for the benefit of the Swap Insurer.

(xi) **Third-party Beneficiary.** Party A and Party B hereby each acknowledge and agree that the Swap Insurer shall be an express third-party beneficiary (and not merely an incidental third-party beneficiary) of this Agreement and of the obligations of each such party under any Insured Rate Swap Transaction, and as such, entitled to enforce the Agreement and the terms of any such Insured Rate Swap Transaction against such party on its own behalf and otherwise shall be afforded all remedies available hereunder or otherwise afforded by law against the parties hereto to redress any damage or loss incurred by the Swap Insurer including, but not limited to, fees (including professional fees), costs and expenses incurred by the Swap Insurer which are related to, or resulting from any breach by such party of its obligations hereunder.

(xii) **Policy Coverage.** Party A and Party B hereby acknowledge and agree that the Swap Insurer's obligation with respect to Insured Rate Swap Transactions shall be limited to the terms of the Swap Insurance Policy. Notwithstanding Section 2(d) or any other provision of this Agreement, the Swap Insurer shall not have any obligation to pay interest on any amount payable by Party B under this Agreement.

(xiii) **Subrogation.** Party A and Party B hereby acknowledge that to the extent of payments made by the Swap Insurer to Party A under the Swap Insurance Policy, the Swap Insurer shall be fully subrogated to the rights of Party A against Party B under the Insured Rate Swap Transaction to which such payments relate, including, but not limited to, the right to receive payment from Party B and the enforcement of any remedies. Party A hereby agrees to assign to the Swap Insurer its right to receive payment from Party B under any Insured Rate Swap Transaction to the extent of any payment thereunder by the Swap Insurer to Party A. Party B hereby acknowledges and consents to the assignment by Party A to the Swap Insurer of any rights and remedies that Party A has under any Insured Rate Swap Transaction or any other document executed in connection herewith.

(xiv) **Isolation of insured Rate Swap Transactions in Designating an Early Termination Date.**

(a) Notwithstanding Section 6 of this Agreement, any designation of an Early Termination Date in respect of non-Swap Insurer Insured Rate Swap Transactions by Party A or Party B shall not apply to any Insured Rate Swap Transactions under this Agreement, unless expressly provided in such designation and agreed to in writing by the Swap Insurer.

(b) Notwithstanding Section 6 of this Agreement, any designation of an Early Termination Date in respect of the Insured Rate Swap Transactions by the Swap Insurer or by Party A or Party B shall apply only to the Insured Rate Swap Transactions and not to any other

Transaction under this Agreement, unless expressly provided in such designation and agreed to in writing by the Swap Insurer. Nothing contained in this Part 5(xiv) shall affect the rights of Party A under this Agreement to designate an Early Termination Date in respect of any Transaction that is not an Insured Rate Swap Transaction, which designation shall not apply to the Insured Rate Swap Transactions.

(xv) **Expenses.** Party B agrees to reimburse the Swap Insurer immediately and unconditionally upon demand for all reasonable expenses incurred by the Swap Insurer in connection with the issuance of the Swap Insurance Policy and the enforcement by the Swap Insurer of Party B's obligations under this Agreement and any other documents executed in connection with the execution and delivery of this Agreement, including, but not limited to, fees (including professional fees), costs and expenses incurred by the Swap Insurer which are related to, or resulting from, any breach by Party B of its obligations hereunder.

(xvi) **Notices.** A copy of each notice or other communication between the parties with respect to this Agreement must be forwarded to the Swap Insurer by the party distributing such notice or other communication and any such notice or other communication shall not be effective as to the parties hereto until it has been received by the Swap Insurer.

(xvii) **Reference Market-makers.** The definition of "Reference Market-makers" set forth in Section 12 of the Agreement shall be amended in its entirety to read as follows:

"Reference Market-makers" means four (4) leading dealers in the relevant swap market selected by the party determining a Market Quotation in good faith (a) from among dealers of the highest credit standing which satisfy all the criteria that such party applies generally at the time of deciding whether to offer or to make an extension of credit and (b) to the extent practicable, from among dealers having an office in the same metropolitan area. The rating classification assigned to any outstanding long-term senior debt securities of such dealers shall be at least (1) "A1" or higher as determined by Moody's, (2) "A+" or higher as determined by S&P or if not rated by one of S&P or Moody's, (3) an equivalent investment grade rating determined by a nationally-recognized rating service acceptable to both parties, provided, however, that in any case, if Market Quotations cannot be determined by four (4) such dealers, the party making the determination of the Market Quotation may designate, with the consent of the other party and the Swap Insurer, one (1) or more leading dealers whose long-term senior debt bears a lower investment grade rating or the parties may agree, with the consent of the Swap Insurer, to use fewer than four (4) leading dealers.

(xviii) **Party A Delivery of Legal Opinion.** Party A will be required to deliver a legal opinion with respect to its power and authority to enter into the Agreement and to the enforceability of the Agreement, satisfactory in form and substance to the Swap Insurer, with the Swap Insurer as an addressee.

(xix) **Additional Representations of Party B.** Party B hereby further represents to Party A (which representations will be deemed to be repeated by Party B at all times until the termination of this Agreement) that:

- (i) This Agreement has been, and each Transaction hereunder will be (and, if applicable, has been), entered into for the purposes of managing its borrowings and not for purposes of speculation.
- (ii) Party B has taken all steps necessary or advisable to create the security and source of payment for Party B's obligations hereunder described in Section 3(g) of the Agreement.
- (iii) Any Transaction entered into pursuant to this Agreement together with any transactions that Party B has or may enter into with Party A and/or with any or all other parties does not and will not violate or exceed any limits or restrictions contained in any authorizations, approvals or resolutions of the board of directors, shareholders or other authorized body of Party B.
- (iv) The execution and delivery by Party B of this Agreement, each Confirmation and any other documentation relating hereto, and the performance of Party B of its obligations hereunder and thereunder, are in furtherance, and not in violation, of the municipal purposes for which Party B is organized pursuant to the laws of the State of Michigan.
- (v) This Agreement and each Transaction hereunder do not constitute any kind of investment by Party B that is proscribed by any constitution, charter, law, rule, regulation, government code, constituent or governing instrument, resolution, guideline, ordinance, order, writ, judgment, decree, charge, or ruling to which Party B (or any of its officials in their respective capacities as such) or its property is subject.

(xx) Optional Early Termination. Party A shall have the right to terminate one or more Transactions hereunder, either in whole or in part, on any Business Day; *provided* that no Event of Default or Termination Event is then occurring with respect to which Party A is the Defaulting Party or sole Affected Party, by providing at least five (5) Business Days' prior written notice to Party B of its election to terminate and its designation of the effective date of termination (the "Party A Optional Early Termination Date"). On the Party A Optional Early Termination Date, Party A shall determine the amount payable in connection with such termination as the greater of (i) zero and (ii) the amount calculated in accordance with Section 6(e) of the Agreement, as if (A) the Party A Optional Early Termination Date were the Early Termination Date with respect to the terminated Transaction(s) or portion thereof, (B) the terminated Transaction(s) were the sole Affected Transaction(s), (C) Party B were the sole Affected Party and (D) Second Method and Loss applied. For the avoidance of doubt, in no event will Party B owe any amount to Party A in connection with an election by Party A to exercise its option under this Part 5(xx), other than any Unpaid Amounts.

(n) ***Indemnification.***

- (i) To the extent permitted by law, Party B shall defend and hold harmless Party A from and against any and all losses, damages, liabilities, and expenses incurred and paid (each, a "liability") by Party A arising out of or resulting from the commencement or continuation of any litigation, judicial action, or legislative action of the kind described in Part 1(i)(ii)(6) hereof.
- (ii) If, for so long as this Agreement is in effect, Party A has actual notice or knowledge of any claim or loss for which indemnification by Party B is asserted, Party A shall give to Party B written notice within such time as is reasonable under the circumstances, describing such claim or loss in reasonable detail. However, any delay or failure of Party A to give the notice shall not affect Party B's indemnification obligations except to the extent that Party B was prejudiced by the delay or failure.
- (iii) If a demand or claim for indemnification is made hereunder with respect to losses the amount or extent of which is not yet known or certain, then the notice of demand for indemnification shall so state, and, where practicable, shall include an estimate of the amount of the losses.

(iv) In the case of actual notice of indemnification hereunder involving any litigation, arbitration or legal proceeding, Party B shall have responsibility to, and shall employ counsel, and shall assume all expense with respect to, the defense or settlement of such claim.

(v) Notwithstanding Party B's assumption of the defense, Party A shall have the right to employ separate counsel and to participate in the defense of such action, and Party B shall bear the reasonable out of pocket fees, costs and expenses of such separate counsel if:

- (1) other than under Part 1(i)(ii)(6) hereof, a Termination Event or Event of Default has occurred hereunder, other than a Specified Additional Termination Event;

(c) **Calculation Agent.** The Calculation Agent is Party A, unless otherwise specified in a Confirmation in relation to the relevant Transaction.

(d) **Credit Support Document.** The Credit Support Annex attached hereto is a Credit Support Document with respect to Party A for all purposes hereunder and is incorporated herein by this reference. (e) **Credit Support Provider.** Credit Support Provider means: None.

(f) **Governing Law.** This Agreement will be governed by and construed in accordance with the laws of the State of New York; provided, however, that the corporate powers and legal capacity of Party B shall be governed by and construed in accordance with the laws of the State of Michigan.

(g) **Jurisdiction.** Section 11(b)(i) of this Agreement is deleted in its entirety and replaced by the following:

"submits to the extent permitted by law to the non-exclusive jurisdiction of the courts of the State of New York and the United States District Court located in Borough of Manhattan in New York City and of the courts of the State of Michigan and the United States District Court for the Eastern District of Michigan; and"

(h) **Waiver of Immunities.** Section 11(c) of this Agreement is deleted in its entirety and replaced by the following:

"**Waiver of Immunities.** Each party irrevocably waives, to the fullest extent permitted by applicable law, with respect to itself and its revenues, all immunity on the grounds of sovereignty or other similar grounds from (i) suit in a breach of contract action, (ii) relief by way of injunction, order for specific performance or for recovery of property and (iii) execution or enforcement of any judgment to which it or its revenues might otherwise be entitled in any Proceedings, and irrevocably agrees, to the extent permitted by applicable law, that it will not claim any such immunity in any such Proceedings."

(i) **Netting of Payments.** Subparagraph (ii) of Section 2(c) of this Agreement will apply.

(j) **"Affiliate"** will have the meaning specified in Section 12 of this Agreement.

Part 4. Other Provisions

(a) **Set-off.** Without affecting the provisions of the Agreement requiring the calculation of certain net payment amounts, all payments under this Agreement will be made without set-off or counterclaim; provided, however, that upon the designation of any Early Termination Date, in

addition to and not in limitation of any other right or remedy (including any right to set off, counterclaim, or otherwise withhold payment or any recourse to any Credit Support Document) under applicable law the Non-defaulting Party or Non-affected Party (in either case, "X") may without prior notice to any person set off any sum or obligation (whether or not arising under this Agreement and whether matured or unmatured, whether or not contingent and irrespective of the currency, place of payment or booking office of the sum or obligation) owed by the Defaulting Party or Affected Party (in either case, "Y") to X or any Affiliate of X against any sum or obligation (whether or not arising under this Agreement, whether matured or unmatured, whether or not contingent and irrespective of the currency, place of payment or booking office of the sum or obligation) owed by X or any Affiliate of X to Y and, for this purpose, may convert one currency into another at a market rate determined by X. If any sum or obligation is unascertained, X may in good faith estimate that sum or obligation and set-off in respect of that estimate, subject to X or Y, as the case may be, accounting to the other party when such sum or obligation is ascertained.

(b) **Additional Representations.**

- (i) The first sentence of Section 3 is amended to read in its entirety as follows:

"Each party represents to each other party (which representations will be deemed to be repeated on each date on which a Transaction is entered into and, in the case of the representations in Section 3(a), 3(e) and 3(f) of this Agreement, at all times until the termination of this Agreement) the following:"

- (ii) Section 3 is amended by adding the following subsections (e), (f) and (g) thereto:

(e) **Non-Speculation.** Party B represents and warrants to Party A that this Agreement has been, and each Transaction hereunder will be, entered into for purposes of managing of its borrowings or investments or in connection with a line of business and not for the purpose of speculation;

(f) **Eligible Contract Participant.** Each party is an "eligible contract participant" under, and as defined in, Section 1a(12) of the Commodity Exchange Act, as amended (7 U.S.C. § 1a(12)); and

(g) **Sources of Payment.** As provided in the Contract Administration Agreement, all payments due under this Agreement from Party B to Party A are payable from and secured by amounts owing by the City to Party B pursuant to the Service Contract in respect of Hedge Payables. Such amounts are payable by the City from all available revenues of the City's General Fund (as delineated in the City's audited financial statements). If the City were to fail to pay any amount owing in respect of a Hedge Payable when due, Party A (or the Contract Administrator, if authorized by Party A to so act on Party A's behalf) could pursue remedies against the City to enforce that contractual obligation and the City would be required to pay any resulting judgment against it. If the City were to fail to provide for payment of any such judgment, a court can compel the City to raise the payment through the levy of taxes, as provided in the Revised

Judicature Act of 1961, Act No. 236 of the Michigan Public Acts of 1961, as amended (Michigan Compiled Laws Section 600.6093), without limit as to rate or amount. In addition, all amounts due from Party B hereunder are secured by and payable from the Pledged Property (including, but not limited to, amounts held in the Holdback Account) in accordance with the terms of the Collateral Agreement.

(c) **Additional Agreement.**

Compliance with Covered Indenture. Party B will observe, perform and fulfill each provision in the Covered Indenture applicable to Party B. Party B hereby agrees not to amend, supplement, modify or waive any provision of the Covered Indenture without the consent of Party A if such amendment, supplement, modification or waiver would: (i) change any of the payment times, amounts, obligations, terms or any other payment-related provision in any Service Contract applicable to the City; (ii) impair any right Party B may have under the Service Contract to enforce payments from the City, or impair any right Party A may have under the Covered Indenture to enforce its security interest granted therein or any other right thereunder; or (iii) permit the creation of any new lien ranking prior to or on a parity with, or terminate, or deprive Party A of the security afforded to it by Sections 8.02 and 8.03 of the Service Contracts or Section 2.4 of the Contract Administration Agreement (collectively, the "Incorporated Provisions"). The Incorporated Provisions are hereby incorporated by reference and made a part of this Agreement to the same extent as if such provisions were set forth herein. Any amendment, supplement, modification or waiver of any of the Incorporated Provisions without the prior written consent of the other party hereto shall have no force and effect with respect to this Agreement. Any amendment supplement or modification for which such consent is obtained shall be part of the Incorporated Provisions for purposes of this Agreement. Party B shall not assign or transfer its right or obligations under the Covered Indenture without the prior written consent of the other party hereto and the Swap Insurer.

(d) **Relationship Between Parties.** Each party will be deemed to represent to the other party on the date on which it enters into a Transaction that (absent a written agreement between the parties that expressly imposes affirmative obligations to the contrary for that Transaction):

- (i) Non-Reliance. It is acting for its own account, and it has made its own independent decisions to enter into that Transaction and as to whether that Transaction is appropriate or proper for it based upon its own judgment and upon advice from such advisers as it has deemed necessary. It is not relying on any communication (written or oral) of the other party as investment advice or as a recommendation to enter into that Transaction; it being understood that information and explanations related to the terms and conditions of a Transaction shall not be considered investment advice or a recommendation to enter into that Transaction. No communication (written or oral) received from the other party shall be deemed to be an assurance or guarantee as to the expected results of that Transaction.
- (ii) Assessment and Understanding. It is capable of assessing the merits of and understanding (on its own behalf or through independent professional advice),

and understands and accepts the terms, conditions and risks of that Transaction. it is also capable of assuming, and assumes, the risks of that Transaction.

- (iii) Status of Parties. The other party is not acting as a fiduciary for or an adviser to it in respect of that Transaction.

(e) Waiver of Jury Trial. EACH PARTY WAIVES, TO THE EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY PROCEEDINGS RELATING TO THIS AGREEMENT OR ANY CREDIT SUPPORT DOCUMENT,

(f) Consent to Recording. Each party (i) consents to the recording of all telephone conversations between trading, operations and marketing personnel of the parties and their Affiliates in connection with this Agreement or any potential Transaction; (ii) agrees to give notice to such personnel of it and its Affiliates that their calls will be recorded; and (iii) agrees that in any Proceedings, it will not object to the introduction of such recordings in evidence on grounds that consent was not properly given.

Insurer Provisions

The following provisions shall apply to any Transactions for which the Swap Insurance Policy has been issued by the Swap Insurer, for the account of Party B, as principal, and Party A, as beneficiary (the “Insured Rate Swap Transactions”):

(i) ***Designation of Early Termination Date.*** Notwithstanding anything to the contrary in Section 6 of this Agreement, if any:

(a) Event of Default in respect of any Insured Rate Swap Transaction under this Agreement occurs; or

(b) Termination Event (other than the Additional Termination Events set forth in Part 5(ii) below) in respect of any Insured Rate Swap Transaction under this Agreement occurs;

then, in either such case, neither Party A nor Party B shall designate an Early Termination Date pursuant to Section 6 of this Agreement in respect of any such Insured Rate Swap Transaction without the prior written consent of the Swap Insurer.

(ii) Party B Additional Termination Events. The following shall each constitute an Additional Termination Event:

(a) the Swap Insurer fails to meet its payment obligations under the Swap Insurance Policy and such failure is continuing with respect to the Swap Insurer under the Swap Insurance Policy; or

(b) the Swap Insurer fails to have a claims-paying ability rating of at least "A-" from S&P or a financial strength rating of at least "A3" from Moody's; provided, however, that additionally:

(X) an Event of Default has occurred or is continuing with respect to Party B as the Defaulting Party; or

(Y) a Termination Event has occurred or is continuing with respect to Party B as the Affected Party; or

(c) An Insurer Event has occurred and is continuing provided, however, that additionally:

(X) an Event of Default has occurred or is continuing with respect to Party B as the Defaulting Party; or

(Y) a Termination Event has occurred or is continuing with respect to Party B as the Affected Party.

Any of the following shall be considered an "Insurer Event":

(1) the Swap Insurer is in conservation, liquidation or receivership under the New York Insurance Laws; or

(2) the Swap Insurer (a) fails to have (1) a claims-paying ability rating of at least "AAA" from S&P, or (2) a financial strength rating of at least "Aaa" from Moody's; and (b) fails to pay obligations for indebtedness for money borrowed or to meet then-current policy obligations for which claims have been properly presented in an aggregate amount in excess of \$100,000,000, which failure to make payment (in whole or in part) is not due to: (u) administrative error; (v) Swap Insurer action to contest a claim; (w) an

order from, or action by, a regulator of the Swap Insurer which forbids, delays or impedes such payment, except in connection with a Swap Insurer insolvency, conservation or receivership; (x) the occurrence of an act of God which prevents such payment; (y) the usual mechanisms or channels employed to make such payment being unavailable to the Swap Insurer through no fault of the Swap Insurer; (z) a statute, rule or order (including, but not limited to exchange controls) which forbids, delays or impedes either (i) such payment, other than in connection with a Swap Insurer insolvency, conservation or receivership, or (ii) the acquisition of, or payment in, a currency required in order to make such payment.

For purposes of any Additional Termination Event described under this Part 5(ii), the sole "Affected Party" shall be Party B.

(iii) Insurer Directed Termination. Notwithstanding anything in this Agreement, if an Event of Default under this Agreement occurs with respect to Party B as the Defaulting Party or any Termination Event under this Agreement occurs with respect to Party B as the Affected Party, then the Swap Insurer (so long as it has not failed to make any payment under the terms and conditions of the Swap Insurance Policy) shall have the right (but not the obligation) upon notice to Party A to designate an Early Termination Date with respect to Party B with the same effect as if such designation were made by Party A. For purposes of the foregoing sentence, an Event of Default with respect to Party B shall be considered to be continuing, notwithstanding any payment by the Swap Insurer under the Swap Insurance Policy. Party A and Party B acknowledge that, except as the Swap Insurance Policy may be otherwise endorsed, unless (x) the Swap Insurer designates an Early Termination Date (as opposed to merely consenting to such designation by one of the parties) or (y) an Additional Termination Event specified in Part 5(ii)(a) or (b) has occurred, payments due from Party B because an Early Termination Date has been designated will not be insured. In any event, the parties acknowledge that pursuant to the Swap Insurance Policy that (i) the amount payable by the Swap Insurer in respect of payments due from Party B because an Early Termination Date has been designated by the Swap Insurer shall not be limited in amount, and (ii) the amount payable by the Swap Insurer in respect of payments due from Party B because an Early Termination Date has been designated by Party A shall not exceed the amount specified in the Swap Insurance Policy.

(iv) Amendments. Section 8(b) of the Agreement is hereby amended by (A) adding the words "or any Credit Support Document" after the word "Agreement" in the first line thereof and (B) adding the phrase "and the Swap Insurer" following the words "parties" in the third line thereof.

(v) Transfers/Assignments. Notwithstanding Section 7 of the Agreement, neither party may transfer, assign or delegate its rights or duties with respect to an Insured Rate Swap Transaction under the Agreement, unless it receives the prior written consent of the Swap Insurer; provided, however, that Party A may assign or delegates its rights and duties without the Swap Insurer's prior written consent to a party (a) that meets the definition of "Reference Market Maker" (other than the ratings requirement set forth therein) and that has long-term senior unsecured debt ratings at least in the single –A category from Moody's and S&P or the Credit Support Provider of such party has claims paying ability ratings or financial strength ratings at least in the single – A category from Moody's and S&P and (b) that assumes the rights and duties of Party A

pursuant to a master agreement that is substantially similar to this Agreement and in form and substance satisfactory to the Swap Insurer; and provided, further, that Party A may make such an assignment or delegation to an affiliate of Party A if Party A or its Credit Support Provider, provides a guarantee of the Insured Rate Swap Transaction that is acceptable in form and substance to the Swap Insurer.

(vi) No Suspension of Payments. Notwithstanding Section 2(a)(iii) of this Agreement, Party A shall not suspend any payments due under an Insured Rate Swap Transaction under Section 2(a)(iii) of the Agreement unless Party A has designated an Early Termination Date pursuant to the terms hereof.

(vii) No Netting. Notwithstanding Section 2(c) of this Agreement, in no event shall either Party A or Party B be entitled to net its payment obligations in respect of the Insured Rate Swap Transactions against the payment obligations of the other party in respect of other Transactions under this Agreement if such Transactions are not Insured Rate Swap Transactions, nor may either Party A or Party B net the payment obligations of the other party under Transactions that are not insured Rate Swap Transactions against the payment obligations of such party under Insured Rate Swap Transactions, it being the intention of the parties that their payment obligations under Insured Rate Swap Transactions be treated separate and apart from all other Transactions. Section 6(e) of this Agreement shall apply to all Insured Rate Swap Transactions with the same effect as if the Insured Rate Swap Transactions constituted a single master agreement. Notwithstanding Section 6(e) of this Agreement, the amount payable under Section 6(e) of this Agreement upon the termination of any Insured Rate Swap Transactions shall be determined without regard to any Transactions other than the Insured Rate Swap Transactions, it being the intention of the parties that their payment obligations under the Insured Rate Swap Transactions be treated separate and apart from all other Transactions unless otherwise agreed to in writing by the Swap Insurer.

(viii) No Set-off for Counterclaim. In no event shall either Party A or Party B be entitled to set-off its payment obligations in respect of an Insured Rate Swap Transaction against the payment obligations of the other party (whether by counterclaim or otherwise) under any other agreement(s) between Party A and Party B or instrument(s) or undertaking(s) issued or executed by one party to, or in favor of, the other party, if such obligations are not Insured Rate Swap Transactions, or net the payment obligations of the other party that are not with respect to Insured Rate Swap Transactions against the payment obligations of such party under Insured Rate Swap Transactions, it being the intention of the parties that their payment obligations under Insured Rate Swap Transactions be treated separate and apart from all other obligations. Notwithstanding Section 6(e) of this Agreement, the amount payable under Section 6(e) of this Agreement upon the termination of any Insured Rate Swap Transaction shall be determined without regard to any obligation other than those under the insured Rate Swap Transactions, it being the intention of the parties that their payment obligations under the Insured Rate Swap Transactions be treated separate and apart from all other obligations unless otherwise specified in such other obligation and agreed to in writing by the Swap Insurer.

(ix) Party A — Notice of Rating Downgrade, Suspension or Withdrawal. Party A shall provide written notice to Party B and to the Swap Insurer of any downgrade, withdrawal or suspension of Party A's long-term senior unsecured debt rating, within 15 Business Days of the

occurrence of such event. Failure of Party A to provide such notice shall not constitute an Event of Default under this Agreement.

(x) Representations and Agreements. Each party agrees that each of its representations and agreements in this Agreement is expressly made to and for the benefit of the Swap Insurer.

(xi) Third-party Beneficiary. Party A and Party B hereby each acknowledge and agree that the Swap Insurer shall be an express third-party beneficiary (and not merely an incidental third-party beneficiary) of this Agreement and of the obligations of each such party under any Insured Rate Swap Transaction, and as such, entitled to enforce the Agreement and the terms of any such Insured Rate Swap Transaction against such party on its own behalf and otherwise shall be afforded all remedies available hereunder or otherwise afforded by law against the parties hereto to redress any damage or loss incurred by the Swap Insurer including, but not limited to, fees (including professional fees), costs and expenses incurred by the Swap Insurer which are related to, or resulting from any breach by such party of its obligations hereunder.

(xii) Policy Coverage. Party A and Party B hereby acknowledge and agree that the Swap Insurer's obligation with respect to Insured Rate Swap Transactions shall be limited to the terms of the Swap Insurance Policy. Notwithstanding Section 2(d) or any other provision of this Agreement, the Swap Insurer shall not have any obligation to pay interest on any amount payable by Party B under this Agreement.

(xiii) Subrogation. Party A and Party B hereby acknowledge that to the extent of payments made by the Swap Insurer to Party A under the Swap Insurance Policy, the Swap Insurer shall be fully subrogated to the rights of Party A against Party B under the Insured Rate Swap Transaction to which such payments relate, including, but not limited to, the right to receive payment from Party B and the enforcement of any remedies. Party A hereby agrees to assign to the Swap Insurer its right to receive payment from Party B under any Insured Rate Swap Transaction to the extent of any payment thereunder by the Swap Insurer to Party A. Party B hereby acknowledges and consents to the assignment by Party A to the Swap Insurer of any rights and remedies that Party A has under any Insured Rate Swap Transaction or any other document executed in connection herewith.

(xiv) Isolation of Insured Rate Swap Transactions in Designating an Early Termination Date.

(a) Notwithstanding Section 6 of this Agreement, any designation of an Early Termination Date in respect of non-Swap Insurer Insured Rate Swap Transactions by Party A or Party B shall not apply to any Insured Rate Swap Transactions under this Agreement, unless expressly provided in such designation and agreed to in writing by the Swap Insurer.

(b) Notwithstanding Section 6 of this Agreement, any designation of an Early Termination Date in respect of the Insured Rate Swap Transactions by the Swap Insurer or by Party A or Party B shall apply only to the Insured Rate Swap Transactions and not to any other Transaction under this Agreement, unless expressly provided in such designation and agreed to in writing by the Swap Insurer. Nothing contained in this Part 5(xiv) shall affect the rights of Party A under this Agreement to designate an Early Termination Date in respect of any

Transaction that is not an Insured Rate Swap Transaction, which designation shall not apply to the Insured Rate Swap Transactions.

(xv) **Expenses.** Party B agrees to reimburse the Swap Insurer immediately and unconditionally upon demand for all reasonable expenses incurred by the Swap Insurer in connection with the issuance of the Swap Insurance Policy and the enforcement by the Swap Insurer of Party B's obligations under this Agreement and any other documents executed in connection with the execution and delivery of this Agreement, including, but not limited to, fees (including professional fees), costs and expenses incurred by the Swap Insurer which are related to, or resulting from, any breach by Party B of its obligations hereunder.

(xvi) **Notices.** A copy of each notice or other communication between the parties with respect to this Agreement must be forwarded to the Swap Insurer by the party distributing such notice or other communication and any such notice or other communication shall not be effective as to the parties hereto until it has been received by the Swap Insurer.

(xvii) **Reference Market-makers.** The definition of "Reference Market-makers" set forth in Section 12 of the Agreement shall be amended in its entirety to read as follows:

"Reference Market-makers" means four (4) leading dealers in the relevant swap market selected by the party determining a Market Quotation in good faith (a) from among dealers of the highest credit standing which satisfy all the criteria that such party applies generally at the time of deciding whether to offer or to make an extension of credit and (b) to the extent practicable, from among dealers having an office in the same metropolitan area. The rating classification assigned to any outstanding long-term senior debt securities of such dealers shall be at least (1) "A1" or higher as determined by Moody's, (2) "A+" or higher as determined by S&P or if not rated by one of S&P or Moody's, (3) an equivalent investment grade rating determined by a nationally-recognized rating service acceptable to both parties, provided, however, that in any case, if Market Quotations cannot be determined by four (4) such dealers, the party making the determination of the Market Quotation may designate, with the consent of the other party and the Swap Insurer, one (1) or more leading dealers whose long-term senior debt bears a lower investment grade rating or the parties may agree, with the consent of the Swap Insurer, to use fewer than four (4) leading dealers.

(xviii) **Party A Delivery of Legal Opinion.** Party A will be required to deliver a legal opinion with respect to its power and authority to enter into the Agreement and to the enforceability of the Agreement, satisfactory in form and substance to the Swap Insurer, with the Swap Insurer as an addressee.

(xix) **Additional Representations of Party B.** Party B hereby further represents to Party A (which representations will be deemed to be repeated by Party B at all times until the termination of this Agreement) that:

- (i) This Agreement has been, and each Transaction hereunder will be (and, if applicable, has been), entered into for the purposes of managing its borrowings and not for purposes of speculation.

- (ii) Party B has taken all steps necessary or advisable to create the security and source of payment for Party B's obligations hereunder described in Section 3(g) of the Agreement.
 - (iii) Any Transaction entered into pursuant to this Agreement together with any transactions that Party B has or may enter into with Party A and/or with any or all other parties does not and will not violate or exceed any limits or restrictions contained in any authorizations, approvals or resolutions of the board of directors, shareholders or other authorized body of Party B.
 - (iv) The execution and delivery by Party B of this Agreement, each Confirmation and any other documentation relating hereto, and the performance of Party B of its obligations hereunder and thereunder, are in furtherance, and not in violation, of the municipal purposes for which Party B is organized pursuant to the laws of the State of Michigan.
 - (v) This Agreement and each Transaction hereunder do not constitute any kind of investment by Party B that is proscribed by any constitution, charter, law, rule, regulation, government code, constituent or governing instrument, resolution, guideline, ordinance, order, writ, judgment, decree, charge, or ruling to which Party B (or any of its officials in their respective capacities as such) or its property is subject.
- (xx) Party A shall have the right to terminate one or more Transactions hereunder, either in whole or in part, on any Business Day; *provided* that no Event of Default or Termination Event is then occurring with respect to which Party A is the Defaulting Party or sole Affected Party, by providing at least five (5) Business Days' prior written notice to Party B of its election to terminate and its designation of the effective date of termination (the "Party A Optional Early Termination Date"). On the Party A Optional Early Termination Date, Party A shall determine the amount payable in connection with such termination as the greater of (i) zero and (ii) the amount calculated in accordance with Section 6(e) of the Agreement, as if (A) the Party A Optional Early Termination Date were the Early Termination Date with respect to the terminated Transaction(s) or portion thereof, (B) the terminated Transaction(s) were the sole Affected Transaction(s), (C) Party B were the sole Affected Party and (D) Second Method and Loss applied. For the avoidance of doubt, in no event will Party B owe any amount to Party A in connection with an election by Party A to exercise its option under this Part 5(xx), other than any Unpaid Amounts.

5. Optional Termination. With the prior consent of the Insurer, Party B shall have the right to terminate this Transaction (provided that no Event of Default or Termination Event has occurred) by providing (i) at least five (5) Business Days' prior written notice to Party A of its election to terminate this Transaction and (ii) evidence reasonably satisfactory to Party A that any and all amounts owed to Party A in connection with such early termination shall be paid on the due date thereof. On the Optional Termination Date set forth in such notice, an amount, determined by Party A, shall be payable by Party A or the Party B, as the case may be, in respect of such termination. If such amount is not acceptable to Party B, then Party A shall determine such amount in accordance with Section 6 of the Agreement, assuming Market Quotation and Second Method apply and Party B is the sole Affected Party. For purposes of the Transaction Transfer Agreement by and between Party A, Party B and Merrill Lynch Capital Services, Inc., as Credit Support Provider of Party A, dated as of May 25, 2005 (the "Transaction Transfer Agreement"), any partial optional termination pursuant to this Paragraph 5 shall not constitute an Event of Default or a Termination Event or result in the designation of an Early Termination Date with respect to this Transaction.

6. Adjustment Event If on the Effective Date or any date thereafter (an "Adjustment Event Date") the Notional Amount of this Transaction is greater than the Related Principal Amount, an Adjustment Event shall occur and the Notional Amount shall be reduced to the extent necessary to make such Notional Amount as of the Adjustment Event Date equal to the Related Principal Amount. As used herein:

(a) the term "Related Principal Amount" means Party A's Swap Percentage of Party B's Allocable Share of the aggregate principal amount of the outstanding FGIC-Insured Floating Rate Certificates;

(b) the term "Party A's Swap Percentage" means at any time 50 percent;

(c) the term "Party B's Allocable Share" means (1) the outstanding Regular Scheduled Payments to be made by Party B in respect of FGIC-Insured Floating Rate Certificates divided by (2) the sum of such Regular Scheduled Payments to be made by Party B and the outstanding Regular Scheduled Payments to be made by Detroit General Retirement System Service Corporation in respect of FGIC-Insured Floating Rate Certificates, in each case after giving effect to any prepayments of Regular Scheduled Payments in connection with the circumstances of the Adjustment Event; and

(d) the term "FGIC-Insured Floating Rate Certificates" means any 2006 Funding Trust 2006 Pension Funding Securities that bear interest at a floating rate and the scheduled principal of and interest on which are insured under a financial guaranty insurance policy issued by Financial Guaranty Insurance Company.

(e) Upon an adjustment to the Notional Amount, a payment (an "Adjustment Payment") will be due and owing by one party to the other equal to the Market Quotation for this Transaction determined by Party A as if (i) a Termination Event occurred in respect of Party B, (ii) Party B was the only Affected Party with respect to such Termination Event, Party A was the party entitled to calculate the Market Quotation, and the Transaction is the Affected Transaction, (iii) the relevant Adjustment Event Date was designated as the Early Termination Date, (iv) the Notional Amount of the Transaction was an amount equal to the difference between (X) the Notional Amount and (Y) the Related Principal Amount on the Adjustment Event Date, and (v) the requirement set forth in the definition of Market Quotation that quotations be obtained from four Reference Market-makers was met by having Party A provide a single quotation, provided, however, if Party B disputes such quotation, Party A shall seek bids from Reference Market-makers consistent with the provisions of Section 6 of the Agreement. If an Adjustment Payment is a positive number, Party B will pay an amount equal to such Adjustment Payment to Party A; if an Adjustment Payment is a negative number, Party A will pay an amount equal to the absolute value of such Adjustment Payment to Party B. An Adjustment Payment shall be paid by the relevant party on the date on which the Adjustment Event occurs.

(f) Notwithstanding anything to the contrary in this Agreement, Party B will not optionally cause an Adjustment Event if, in connection with such Adjustment Event, an Adjustment Payment would be payable by Party B to Party A unless Party B provides evidence reasonably satisfactory to Party A and the Swap Insurer that (i) such Adjustment Payment will be made by Party B on the Adjustment Event Date and (ii) such Adjustment Payment will not cause Party B to be in violation of, or in default under the documentation relating to the 2006 Pension Funding Securities (as defined below).

(g) For purposes of the Transaction Transfer Agreement, an Adjustment Event pursuant to this Paragraph 6 shall not constitute an Event of Default or a Termination Event or result in the designation of an Early Termination Date with respect to this Transaction.

7. **Relationship between Parties** Each party will be deemed to represent to the other party on the date on which it enters into this Transaction that (in the absence of a written

If on the Effective Date or any date thereafter (an "Adjustment Event Date") the Notional Amount of this Transaction is greater than the Related Principal Amount, an Adjustment Event shall occur and the Notional Amount shall be reduced to the extent necessary to make such Notional Amount as of the Adjustment Event Date equal to the Related Principal Amount. Amendment to the Detroit General Retirement System Service Contract

First Amendment to GRS Service Contract 2006

THIS AMENDMENT IS ENTERED INTO FOR SETTLEMENT PURPOSES

First Amendment to GRS Service Contract 2006 (the *Amendment*), dated as of June 15, 2009, between the **Detroit GRS Retirement System Service Corporation**, a Michigan nonprofit corporation (the *Service Corporation*), and the **City of Detroit**, a municipal corporation organized and existing under the laws of the State of Michigan (the *City*),

WITNESSETH:

Whereas, the Service Corporation entered into the GRS Service Contract 2006, dated as of June 7, 2006 (the *Service Contract*), with the City as part of the 2006 Transaction (the *2006 Transaction*) described in Ordinance No. 05-09 (the *Authorizing Ordinance*) undertaken by the City as part of its Pension System Funding Program (the *Pension System Funding Program*) described therein;

Whereas, also as part of the 2006 Transaction the Service Corporation entered into certain interest rate swap agreements (each, a *2006 Hedge* and collectively, the *2006 Hedges*) with **UBS AG (UBS)**, **SBS Financial Products Company, LLC (SBS)** and collectively with UBS, the *2006 Counterparties*) and **Merrill Lynch Capital Services, Inc.**, as credit support provider to SBS as part of the 2006 Transaction;

Whereas, the Service Contract, among other things, provided for the City to make payments to the Service Corporation sufficient to pay amounts owing by the Service Corporation under the 2006 Hedges;

Whereas, in January 2009, the 2006 Counterparties notified the City and the Service Corporation that they believed that an event had occurred which entitled them to declare a certain "additional termination event" (the *2006 Additional Termination Event*) under the 2006 Hedges;

Whereas, the declaration of the 2006 Additional Termination Event could have resulted in the imposition of an immediate obligation on the City to make a combined payment to the Service Corporations in the range, estimated in January 2009, of \$300 million to \$400 million;

Whereas, the City Council adopted the Authorizing Ordinance on May 26, 2009, in contemplation of settlement with the Counterparties;

Whereas, this amendment to the Service Contract is one of the documents contemplated by the Authorizing Ordinance;

Whereas, the Corporation was created as part of the Pension System Funding Program to reduce the City's burdens of government by meeting and managing the City's obligations under the Michigan Constitution to maintain the actuarial integrity of the GRS Retirement System of the City of Detroit (the *GRS Retirement System*), in respect of which the Corporation was established;

Whereas, the declaration of the 2006 Additional Termination Event would substantially impair the City's ability to meet its constitutional obligations with respect to the GRS Retirement System;

Now, Therefore, in exchange for a waiver of the rights of each Counterparty to declare the 2006 Additional Termination Event and for a rescission of any declaration of the 2006 Additional Termination Event by a Counterparty made through the date on which the transaction of which this Amendment is a part closes (the ***Closing Date***), and in the interest of avoiding fees and expenses of litigation and the delays that would result should litigation ensue, the parties hereto agree as follows:

Section 1. Definitions

Capitalized terms not defined in this Amendment and defined in the Service Contract are used herein as therein defined.

Section 2. Amendments to Service Contract

(a) Amendments to Section 1.01 of the General Terms

(1) The following definition is added to Section 1.01 of the General Terms in proper alphabetical order:

Collateral Agreement means the Collateral Agreement, dated as of June 15, 2009, among the City, the Corporation and the other parties thereto.

Service Payment means any Contract Administrator Payment, Service Charge (regardless of Funding Rate Methodology), Regular Scheduled Payment or Sinking Fund Installment, amounts in respect of any Hedge Payable, Optional Prepayment or Accrued Service Charge as the context may require. ***Service Payment* does not include any amounts payable or paid under the Collateral Agreement.**

(3) The definition of "Stated Hedge" appearing in Section 1.01 of the General Terms is amended to read as follows:

Stated Hedge means a Hedge identified in the Specific Terms as a "Stated Hedge" as amended by the amendments to the 2006 Hedges with an effective date that corresponds to the Closing Date.

(b) Amendments to Section 7.02 of the General Terms

Section 7.02 of the General Terms is amended by adding the subsection designation and language indicated thus and as amended shall read as follows:

Section 7.02 Hedge Payables

(a) The City agrees to pay the amount of any Hedge Payable to the Corporation promptly upon receipt of notice thereof from the Corporation; *provided* that the City is not required to pay such amount before the Payment Time on the day before the due date of the particular Hedge Payable.

(b) The City's obligation to pay the amount of any Hedge Payable to the Corporation includes an obligation to pay to the Corporation the amount of any interest, enforcement costs or expenses and indemnification payments for which the Corporation may be liable to the Hedge Counterparty or any successor under the Stated Hedge or the Collateral Agreement.

(c) The City shall receive a credit for any Hedge Payable to the extent of any amount paid in respect of such Hedge Payable under the Collateral Agreement.

Section 3. Validity of Amendments

The validity of the amendments set forth in **Section 2** hereof are subject to Section 9.05 of the General Terms.

Section 4. Ratification of Service Contract

The Service Contract as amended by **Section 2** hereof is ratified and confirmed.

Section 5. Governing Law

The rights and obligations of the parties hereunder shall be governed by and construed in accordance with the law of the State of Michigan exclusive of its conflicts of law rules.

Section 6. Headings

The Section and subsection headings herein are included for convenience of reference only and do not constitute a part of the this Amendment for any other purpose.

Section 7. Counterparts

This Amendment may be executed in multiple counterparts, *but* all such counterparts taken together shall evidence by one and the same original.

In Witness Whereof, the parties hereto have set their respective hands on the date first set forth above.
